

The Camden Partnership Georgia

Our **Mission** is to advocate, support and strengthen military missions and improve the quality of life for our military members by enhancing regional military and community partnerships. Our **Vision** is to be the primary resource and preferred partner in military community issues.

Working with federal, state, and local officials, our grassroots efforts work toward:

- Increasing the military missions at Kings Bay and in Camden County
- Increasing the footprint of military contractors in Camden County
- Soliciting new industry that support the military industrial base to relocate to Camden County
- Supporting the submarine industrial base
- Lobbying for funding for current and future issues for Kings Bay, Camden County and the Submarine Force
- Serving as a liaison to numerous local, state and national committees to ensure success of our efforts
- Ensuring that we share the good news about Camden County with as many of our senior officials as possible
- Providing opportunities for our local and regional communities to learn more about our military through our scheduled Kings Bay - Camden Community Forums & Tours
- Enhancing regional opportunities that surround Camden County
